

Dr Harold W. Sorenson

AF SAB SUMMER STUDY ON C2

Taking results of Presidents Day discussions to SAB Summer Study meeting, leaving tonight.

C2 CONSORTIUM

Existing government/industry consortia provide a platform for open exchanges between all involved parties

- **Need a public forum to address new business**
- **Building the infrastructure introduces many challenges both for the AF and for all elements of industry**
- **A strong and unified industry voice to AF leadership can contribute to national security**
